

The Substitute Times

SPECIAL EDITION

News and Views

Once again the time has come to say goodbye to another school year. Everyone here at Kelly Educational Staffing wishes to say that you have all done a splendid job this year in keeping OCPS classrooms supervised and students continuing on their learning paths. We applaud you all for your efforts and hard work; you've done a splendid job! We look forward to seeing you back again next year. Please keep in mind that you must work at least once during the month of May/June, in order to remain in compliance with F.D.L.E. screening and drug testing requirements over the Summer break.

Familiar Face?

Linda Shear is the most recent addition to our fabulous list of OCPS Mentors. She joined us early this school year after working as Principal of Vista Lakes Elementary School, and has been helping Substitute Teachers in northern Orange County reach their full potential ever since!

Substitute Appreciation

Many of you joined us for the festivities during Substitute Appreciation Week, but here are some highlights for those of you who were not able to attend:

Three of our Mentors attended the Substitute Appreciation Party; Connie St. John, Linda Shear, and Margaret Osteen. They were delighted to present their own 'Award of Excellence' to 41 substitutes who stood out during their classroom visits, a wonderful number and more than double compared to last year. Keep up the good work, and next time you may be one of them!
