

Powering the future of learning.

Kelly Education

Kelly® Education is one of the country's most trusted sources of education talent, serving thousands of schools and institutions and millions of students across the U.S. for more than 25 years.

We are the only specialty workforce solutions company serving every level of the education continuum—from early childhood and preK-12 to higher education and beyond. Our goal is to connect each of our academic partners with top talent to help them provide the best educational experience for their students.

Why do we do it? We believe that education is the bedrock of a thriving society and learning is a lifelong endeavor. And that takes talent. We are passionate about connecting people to educational roles that enrich their lives. We also believe a diverse and inclusive workforce is key to solving many of the challenges in our education system. In short, Kelly Education is powering the future of learning.

Custom solutions from Kelly® Education.

Early childhood.

Our dependable, credentialed substitute educators and classroom aides are dedicated to helping little ones grow and thrive.

PreK-12 talent.

We provide high-quality educators—substitute teachers, nurses, clerical, professional, and custodial staff, etc.—to more than 1,000 school districts in 37 states.

Special needs.

Our team of skilled paraeducators and aides supports students with special needs so they can stay engaged in learning.

Tutoring services.

Students need personalized academic and social-emotional support to overcome learning gaps exacerbated by the pandemic. Our tutors deliver high-impact tutoring programs that complement classroom instruction.

Higher education.

We partner with more than 150 higher education institutions—including public and private colleges and universities—to customize outsourcing solutions for select segments of their workforce including adjunct instructors, IT professionals, clerical, custodial, remote workers, and more.

Executive search and consulting.

Powered by our executive search firm, Greenwood Asher & Associates, we partner with academic institutions to connect visionary people to leadership roles throughout the education continuum, from K-12 to higher education.

Administrative expertise.

We bring you best practices in talent engagement and retention, wage and hour laws, and more.

SIA is a leading global advisor on staffing and workforce solutions. Kelly Education is pleased to be ranked #1 on SIA's list of the largest U.S. providers of education talent.
